

## SCHEDULE OF EVENTS

The semifinal matches are approximately 6:00pm and 8:00pm H.S.T. Please note that the second match will start 30 minutes after the completion of the first match. Generally, the higher seed will play the second match; however, the committee will discuss the order with the tournament manager and ESPN to determine if there are any circumstances that indicate that a different order would be preferable. The order will be confirmed the Sunday preceding the finals. The championship match is scheduled for approximately 4:00pm H.S.T. Saturday.
